Situated in the heart of town and walking distance to the CBD is this two bedroom freshly painted brick home. Both bedrooms of a large size have polished floor boards as well as the spacious living area that consists of a reverse cycle air-conditioner and wood heater. The home also has a little more extra space which could be used a sleep out or office. The newly renovated kitchen has a new four burner electric oven and twin stainless steel sink, the bathroom has also had a freshen up with a bath, shower, toilet and new heat lights. Out the back of the home the property is secured with a tin fence for privacy with rear lane access through an electronic roller door. A few aspects of the home include two rain water tanks equalling to 8000 Litres worth of storage, solar hot water system and concrete floor garden shed. We highly recommend an inspection with this one as it won't last long with its value for money!

Expected rental return of \$200 pw
