In its heyday, this four bedroom, two bathroom beauty was a gem. Now it needs a little work but when you're done you'll have a spectacular home. Built of brick and featuring formal and informal living areas, master bedroom with ensuite, all bedrooms have built-in robes and there is a third toilet in the laundry. Out in the huge 1876.7 sqm yard with rear lane access is a single garage with workshop, single carport, a garden shed and brick BBQ area. The yard has a watering system with bayonet fitting sprinklers. This home is looking for its next family to move in and lovingly modernise the home and restore the gardens to their former glory.
