Located in the main CBD, this office offers a great business opportunity for the savvy minded business person.

The previous owners have ran a very successful business over the years but have decided to move on, opening a chance for someone to put their own personal touch and build their own little business in a prime location in town.

The office space is very spacious with a large shop floor area offering endless opportunities to what you could do with it. At the rear of the building there is a change room area, a large storage area, and also a kitchenette area and toilet.

The building also has a unit attached to it, this area could be used for extra office spaces or a 1 bedroom unit with work completed.

The block also offers rear lane access and secure car park at the rear of the building.

Office units at this price in such a prime location do not come up very often so it is definitely worth an inspection!
