For Sale

1400 NSM Mixed Age Ewes (breakup attached) at Hathaway Barcaldine .

Bloodlines are Roselea Blood

Mid February shorn with 65 to 75 mm of wool (9 months) Maverick was applied
immediately after shearing.

Lambs were weaned off 4 weeks ago .

The Ewes are showing good vigour considering the conditions but are on the up as there is
some green pick starting to come through from 2 recent small falls. The Mob have also been
fed cotton seed over the top of unwound round bales .

The Mob comprises of approx 1670 but load whatever fits on a triple road train or 2X B
doubles .
