The World's #1 Selling Woolpress

With industry leading safety features, the #1 selling and most trusted Woolpress helps to keep you and your workers safe in the shed. Automatic bale pinning and ejection ensures contamination-free, short square bales and the fast pack locking system minimises the delay between bales. The TPW Xpress now includes the new FX1+ indicator and built-in power meter to monitor your voltage and amp draw.

- Renowned reliability, the preferred Woolpress of contractors
- Safety screen guard complete with automatic return
- Cycle time of 12-16 seconds in high yielding wool to 200kg
- Swift pack locking system - the fastest available
