We have for sale a great block of land in the highly sought after area of North Bourke. This land measures 2023 sq mtrs and features all weather gravel road access, and power adjacent to block. This large block boasts both filtered and unfiltered water to the edge of the block, country views and tranquility.

North Bourke is a growing entity and opportunities to buy land with power and water so close by are rare. He who hesitates is lost so don't miss out! A sound investment at \$45,000.

In addition, we also have the perfect house which would suit this block down to the ground. For further information contact our office.
