Most of the work has been done in this three bedroom, air-conditioned, vinyl clad home. With just a little more spit and polish, this house will easily be turned into a very comfortable home. A highlight of the home is the modern new kitchen, featuring new dishwasher, electric wall oven and hot plates, loads of cupboard space and tasteful slate flooring. There are three bedrooms as well as a good sized sunroom/toy room which adjoins the kitchen and a nice sized carpeted lounge room. The bathroom, separate toilet and laundry round up the interior of the home. Externally, there is a comfortable sized front verandah, excellent fencing, with a large (18 m x 12 m) shed and single carport. Rear lane access and the quiet neighbourhood make this a great little starter package for the first home buyer. A small amount of work would reap great results.
