Set in a central location and on a large well-fenced block is this 2 bedroom plus office fibro house, just waiting for a handy and creative new owner. The home has floorboards throughout and a new ducted evaporative air-conditioner. A highlight of the home is the modern and stylish kitchen with gas hotplates and electric oven. There is a very large lounge room and dining room with fireplace, as well as two bedrooms and a smaller third room which could be used as an office or storage area. A bathroom with shower, vanity and toilet and a small sleep-out round off the interior house. Outside there is a second toilet and laundry. This house is worth an inspection to escape the rental cycle or as a little investment project.
