Are you are looking for a large, residential block of land with a house and a large shed? Then you shouldn't miss the opportunity to inspect this property.

The house consists of 4 large bedrooms, 3 with built in wardrobes and new reverse cycle air conditioning, all bedrooms are well carpeted and also have evaporative cooling.

The large open plan L shaped lounge/dining room has carpet throughout, a large reverse cycle air-conditioner and also evaporative cooling.

The centrally located kitchen has enough cupboard space for the largest of families, it also has a four burner stove top and separate oven. With vinyl flooring and an open layout making it easy to keep clean and tidy.

At the rear of the house you will find a second large living area which could be used as a fifth bedroom, playroom or games room. The laundry is found just off this room close to the back door.

The large stylish bathroom has a large spa bath and shower over the top, tiled walls nearly up to the ceiling, white vanity and mirror and a toilet.

The house also is alarmed and the current owner has just had a 6kw solar system installed to help keep your power bill down.

The 3036 sqm block has 6" fencing around it and is very low maintenance with minimal gardens and has a great approx. 10 mtr x 6 mtr shed which is ideally located in the rear corner.
