Comments:

A rural holding of a high standard, River frontage with safe secure water, outstanding features and incorporating income diversification ~ Livestock, Lucerne, Cropping and Stud enterprises.

From the impressive front entrance and exceptional Homestead set amongst established gardens and lovely valley views, clearly attention to detail has been applied throughout the features of the property making it a real stand out!!!

• Liquid Gold • Water, Water, Water - drought proofing the whole property throughout with underground mains for irrigation, high capacity storage irrigation dams. This complements the excellent specialist equine complex and the added livestock production and cropping benefits. This is a property of

diversification for income protection, combining great infrastructure, excellent fencing, specialist equine complex, second home to rent and ideal location all within an easy commute of the Regional city of Tamworth.
