

Affordable First Home for the Young Family

Price : SOLD

3 1 1

If you are looking for an escape from the rental cycle, the perfect opportunity has arisen with this affordable 3 bedroom fibro/vinyl clad home. The home features polished boards with ducted evaporative air conditioning to keep you cool on these hot summer days; and in winter you can stay cosy and warm with a free standing wood heater.

The home offers an ideal family friendly plan with a generously spacious dining/living area, refrigerated reverse cycle air conditioning, and wood heater. There is a separate main lounge room with ducted evaporative air conditioning, ceiling fan and a gas connection.

The large eat-in kitchen boasts a dish washer, ample cupboard and bench space. The bathroom contains a separate bath and shower, vanity and toilet and in addition, there is a second toilet outside, along with the laundry.

The three bedrooms all contain floor to ceiling built-in wardrobes giving loads of storage space. Each bedroom has evaporative air conditioning and ceiling fans, with the main bedroom also having a refrigerated air conditioner.

To round off this neat package, there is an extra office/storage room, a paved gauzed barbecue area, carport, large lockable steel framed workshop with concrete floor and rear lane access.
