Area & Tenure:
6,452 Hectares (15,942 Acres)

Situation:
Located 32 km south of Brewarrina on the main Nyngan Road.
Bitumen road frontage.

Description:
Level block with predominantly Chocolate and Grey mulching alluvial soils. Most of the property is beneficial flood out country with the exception of approx 1,500 acres of a centrally located red country rising slightly for easy access to the property and refuge for stock. Native Clover, Crowsfoot, Neverfail, Barley Grass and Goathead Burr is the predominant feed along with Blue Bush and Dogwood. There is a 500 ac cultivation permit which has been periodically used.

Timber mainly Box, Coolibah and Belah. Property could be described as ranging from Open through to Semi-Open with only a few small densely timbered areas.

There is a Stock and Domestic water licence attached to a watering system incorporating up to 25 kms of pipe line (63mm>50mm & 40mm) bringing reliable water to the property from the Bogan River with a Grundfos CR5 Pump. As well as providing for the house, it supplies 24 troughs located around the property. There are also 5 ground tanks and some Box swamp areas. There is approx 15,000 gallons of rainwater storage. Annual rainfall is 16 inches

Fencing is mostly plain wire and barb in fair to good condition. There is some newer hinge joint fencing in the smaller holding paddocks. There is 3km of Exclusion fencing, plain and barb fencing with 22km of Hingejoint. The cultivation country has electric fencing as well as interconnecting water points for easy stock movement. There are eight main paddocks and seven smaller holding paddocks. The western boundary is all new Clipex fence.
