3 1 1

This three bedroom house offers wooden floorboards throughout for easy care. It has a brand new a/c in the lounge room and comes with a long term tenant who is paying \$240 per week and looks after the property as if it were his own. Other features include kitchen dining room combined, a large lounge room that opens out onto the front patio, perfect for that early morning cuppa and has a fenced yard that is divided front from back to keep the fur babies and the BBQ separate. The home has a matching single garage made from the same construction of cladding and tin roof all on a 809.4m block of land.
