This 3-bedroom family home has been renovated to keep the original character and is painted tastefully in neutral tones. The spacious, open-plan living/dining/office, easy-care hardwood flooring throughout and generous storage make for great livability.

Entertainment is made easy with a large L-shaped, tiled, front verandah opening through French doors onto living and kitchen spaces, and a low-maintenance, ornamental garden in view. The contemporary, roomy kitchen is augmented by a large butler's pantry.

Oversized master bedroom has ensuite and walk-in robe. Modern, renovated, main bathroom and an oversized laundry add up to multiple storage options.

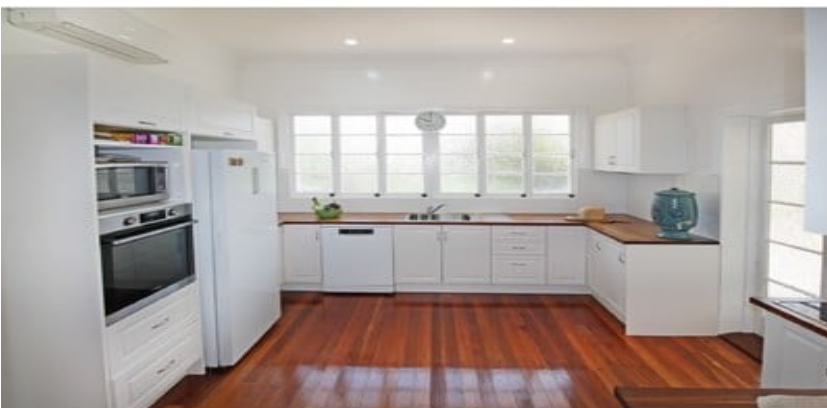

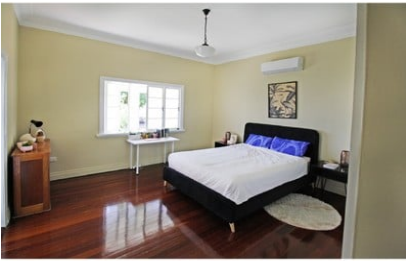

No need to worry about power bills with solar panels and battery storage. Effective climate control from air-conditioning throughout, concrete block construction and a new insulated roof.

External features include 24m x 6m shed, shade house with wicking beds and aquaponics/hydroponics, trees, hedges and a kitchen garden with a timed irrigation system.
