Built in 1870, this renovated 3 bedroom home had its beginnings as a schoolhouse for Guyong district. Characterised by its Bluestone build, "Colonsay" sits majestically amongst thoughtfully landscaped gardens on a 2.3 Acre block.

This delightful home features a tastefully appointed eat-in kitchen with 900 electric gas cooktop stove and range hood. Find a quiet place to lounge or dine with 3 separate living areas. Keep cosy in those cooler months with slow combustion wood heating and Nobo heat banks. The main bedroom has a walk-in dressing room leading to a generous ensuite. The main bathroom has a claw foot bath, wc and shower. There is a separate laundry/wet area and a sunny north facing verandah.

The home is Mid Victorian and is being offered with furniture to suit highlighting the wonderful character and fine presentation of the property. The solid bluestone construction of the home is complimented by the drystone walls creating special garden areas to appreciate.

There is also a large shed and sowing/storage shed. The property has at times been offered as an Air B&B and has always attracted interest.
